ARRIVAL IN ST. PETERSBURG

St. Petersburg is one of Russia’s biggest transport hubs. The city is served by Pulkovo International Airport, five rail terminals, and a sea port. It also boasts numerous road links to cities in Russia and Europe.

There is likely to be increased traffic at all transport hubs during the Forum.
We therefore advise participants to plan their journey well **in advance**.

BY AIR

FLIGHTS TO ST. PETERSBURG

Pulkovo Airport (LED) is St. Petersburg’s only airport that serves scheduled domestic and international flights. The journey time from the airport to the ExpoForum Convention and Exhibition Centre is approximately 15–20 minutes (depending on the traffic).

Pulkovo Airport is located 17 kilometres from the historic centre of St. Petersburg and 7 kilometres from the Forum venue.

During the Forum, free shuttles will run between Pulkovo International Airport and the Forum venue. Participants can use the accredited vehicle with driver [rental service](#) or obtain accreditation for a personal vehicle.

More information about access to the venue and transport services will be available on the Forum website nearer the time of the event.

If you plan to fly to Moscow and take an onward journey to St. Petersburg by train, the convenient Aeroexpress trains allow you to travel via the following routes in comfort. Please visit the [Aeroexpress](#) website to view timetables and purchase tickets.

In 2025, the SPIEF Investment & Business Expo will once again become one of the focal points of the St. Petersburg International Economic Forum, where constituent entities of the Russian Federation, federal ministries and agencies, and major organizations will demonstrate their investment projects, achievements, and strategic initiatives.

Twenty-nine constituent entities of the Russian Federation have confirmed their participation in the exhibition, including two joint stands. So as part of the collective exhibition, Yenisei Siberia and the Siberian Federal District will together present their products and initiatives.

A total of 27 regions, including the cities of Moscow and St. Petersburg, and the Moscow, Leningrad, Novgorod, Kaluga, Vladimir, Tver, Tula, Vologda, Ryazan, Smolensk, Samara, Penza, Kirov, Chelyabinsk, Astrakhan, and Krasnodar Regions, will organize individual stands at the exhibition. The participants also include the Donetsk and Lugansk People's Republics, and the Republics of Bashkortostan, Dagestan, Kalmykia, Komi, and Tatarstan.

Federal executive authorities participating in the exhibition include the Ministry of Sport of the Russian Federation, the Ministry of Science and Higher Education of the Russian Federation, the Prosecutor General's Office of the Russian Federation, and the Federal Agency for Youth Affairs of the Russian Federation (Rosmolodezh).
